Placement Fees:

We have a selection of online tutors available for every grade and every subject. Our tutors range from university students all the way to qualified teachers so you let us know what you need and we will send you CV's of candidates whom suit your requirements.

Should you want to make use of our service please complete the requirements form also attached to the email.

These are once off agency/placement fees. These fees do not include the amount payable to the chosen candidate for their time and services.

The once off placement fee is payable once and if you decide to hire one of our candidates. No fee is payable for just interviewing our candidates or reviewing CV's.

The placement fee will be payable on receipt of the invoice only once you select a candidate to use. Permanent/ongoing placement fees are calculated according to the hours you use the candidate on a weekly basis.

We do not charge a percentage of the chosen candidate's annual remuneration so our fees are more affordable and reasonable. See for yourself.
